NOSSA HISTÓRIA

2003

Em 2003, a Icilegel inicia a industrialização de Fitas Vedadoras e Wire Carrier em Ibaiti, no Paraná.

Ao longo destes anos, a Icilegel realizou vários investimentos técnicos para satisfazer às exigências cada vez maiores do mercado nacional e internacional.

2013

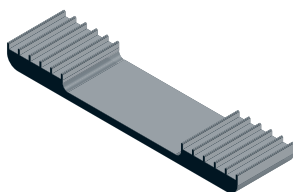

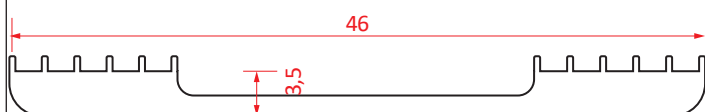

Em 2013, a Icilegel dá um grande passo para sua consolidação no mercado de esquadrias, passando a produzir guarnições de borracha, objetivando atender seus clientes com uma linha de produtos mais completa.

Devido a indústria de esquadrias de alumínio encontrar-se em pleno desenvolvimento, com formas cada vez mais arquitetônicas, fez com que a Icilegel se preocupe cada vez mais em dotar sua fábrica de equipamentos e técnicas de comprovada capacidade, oferecendo a seus Clientes através de seu departamento técnico, todo o suporte necessário para a perfeita utilização de seus produtos.
